

THURSDAY 17 SEPTEMBER 2015

Governance New Zealand National Conference

Following the success of the 2014 National Conference, the planning has commenced for the 2015 National Conference to be held in Auckland in September this year.

The theme of this year's conference is "**Contemporary governance issues and the impact on New Zealand business success**". Key leaders in New Zealand's **governance, compliance and risk management** sector will be gathering to hear from an impressive array of the **leading thinkers and practitioners** from across New Zealand.

The programme takes the form of addresses and presentations that share the **journeys of business leaders** as well as informing members of the **emerging trends and latest developments** in corporate and not-for-profit governance. The day will **inspire, educate and motivate** over 100 of New Zealand's best and brightest practitioners – make sure you are one of them!

**SAVE THE
DATE!**

**Stamford Plaza
Auckland**

**8 CPD
Hours**

**Conference
registrations will
open on 1 July 2015**
