

Category 2: GOVERNANCE INNOVATION BY A NOT-FOR-PROFIT

This award recognises a Not-for-Profit or Charity that has put in place programmes, initiatives or strategies that are effecting change at an organisational and/or cultural level to create a more gender diverse organisation. This category is limited to the Not-for-Profit and Charity sectors.

Information required

1. Organisational Chart
2. An overview of your organisation; its purpose, vision and culture
3. Completed answers to questionnaire below
4. Completed and signed Application Form

Questionnaire

Question One:

As a Not-for-Profit organisation or charity, provide a detailed summary of the initiative/s or specific programme of activities that have effecting change at an organisational and/or cultural level to create a more gender diverse organisation.
(Maximum 1,000 words)

Question Two:

Provide evidence of how this has affected the change to a more gender diverse organisation including data that is both quantitative and qualitative.
(Maximum 500 words)

Question Three:

Over the next two years, what other organisation-wide initiative/s or programme/s, (if any), to promote gender diversity are planned for development?
(Maximum 500 words)

Question Four:

Why does your organisation consider gender diversity is important and what difference has it made to how your organisation operates?
(Maximum 500 words)

Question Five:

Why do you believe your Not-for-Profit organisation or charity should be recognised for this initiative that has effected change at an organisational and/or cultural level to create a more gender diverse organisation? Please include supporting examples.
(Maximum 500 words)
