

## Overview

### How You Make Decisions

Are we rational decision makers? When we make a decision are we really being objective? You may be surprised when you discover the unconscious biases that affect your decision making. Paul Brownsey will unravel that mystery for us...

## Presenter Profile

### Paul Brownsey

Paul is an advocate for responsible investment and for greater transparency around investment products. He is co-founder and Chief Investment Officer of Pathfinder Asset Management, a boutique fund manager specialising in ethical investment. He's also a volunteer member of the Arthritis NZ Investment and is thought provoking in the extreme.
