

## Overview

### Topical Regulatory Issues Affecting Us All

Igor will discuss recent legal developments in the corporate world including OIO regime changes, NZX Rules Revision and AML.

## Presenter Profile

### Igor Drinkovic

Igor is a Senior Associate in the corporate team. He specialises in public M&A and securities law and advises local and foreign clients on public takeovers, public capital raisings, private placements, employee share schemes and listed company matters in general.

He has most recently been part of the team advising: Zespri Group Limited on its shareholder alignment process; CITIC Capital on its \$200 million acquisition of Trilogy International Limited and New York based Diligent Corporation (NZX: DIL) on its NZ\$941 million merger with entities affiliated with Insight Venture Partners.
